

CS-410 Dining Philosophers Statement of Authenticity

This document hereby states that Mr. Jaden Bathon and Mr. Jacob Grosse did not receive any uncited outside help for the Fall 2021 CS-410 Dining Philosophers lab submission which corresponds to the aforementioned people. This project was done collaboratively. The vast majority of the code itself was written on Mr. Bathon's computer while in the presence of Mr. Grosse. The remaining code consisted of finishing touches and was completed by Mr. Bathon. Presentation aesthetics were developed by Mr. Bathon while content was heavily weighted toward Mr. Grosse. The UML diagram was completed by Mr. Bathon, and this document along with the post-lab write-up were completed by Mr. Grosse with review by Mr. Bathon.

The below photocopied signatures hold in place of handwritten signatures and are used with approval from the parties of both Mr. Bathon and Mr. Grosse.
